**O**ICARRE Spinal Crossover **DR19** User Guide Application Instruction

- 1. Fix the detachable velcro with D-ring buckles to a desired position & height.
- 2. Bend the aluminum stays, to fit the curve of the patient's spine.
- 3. Place the Dicarre Spinal Crossover around patient waist with side closure attachment on the left side pre-attached to left side of front panel. Proceed to attach right velcro placement to right side of front panel
- 4. Align the brace so that the front panel is centered on your abdomen and the back panel curve is aligned with the lumbar section of your back. Tighten both straps to bring the spine in upright position.
- 5. Fasten the velcro straps on the front velcro.
- 6. Finally ensure that Spinal Crossover fit is snug and does not cause any discomfort.
