#### IDEAL FOR:

- >Cervical spine immobilization and extraction
- >Aids in other spinal anomalies and post operative support
- >Limit unwanted flexion/extension and rotational movement

#### Features & Benefits:

- > Two-piece anterior and posterior plastic panels provide improved rigidity and durability
- > Plastic panels designed with flexible edges to spread support across broad surface for minimizing skin breakdown
- > Adjustable touch-to-close Velcro closure allow customized fit and easy application
- > Large anterior opening allows better ventilation, quick access to carotid pulse monitoring and emergency tracheotomies
  - > Rear panel enhances ventilation to reduce heat and moisture
  - > Breathable plush laminate padding offers maximum wearing comfort
  - > Latex-free, non-toxic and hypoallergenic
  - > X-ray, CT, and MRI lucent
